Описание объекта:

This enchanting duplex-apartment is situated in a small, well-maintained residential complex, built in 2019 and consisting of a total of only 12 apartments and 2 penthouses.

An electrically operated entrance portal with intercom system opens on to wonderful views of the very neat communal area with its typical island plants and the pool area above.

The property is accessed via a few steps leading up to the modern 14 sqm entrance area, which also serves as a covered terrace. The ground floor consists of a pleasant living/dining area with open kitchen, a guest WC, and a storage room under the stairs. From the kitchen there is access to the compact, low-maintenance garden with its tasteful outdoor furniture.

On the second level there are 2 bright double bedrooms with large fitted wardrobes, and a modern, spacious bathroom. One of the bedrooms has access to a 14 sqm balcony overlooking the pool area and the large palm trees.

The entire residential complex and each individual living unit is surrounded by high-quality stone walls. A private parking space on the plot is included in the purchase price.

This lovely, fully-furnished property is only a 2 min walk from the beach, and will surely leave no wishes unfulfilled.
