Описание объекта:

This exclusive newly-built project combines traditional Mallorcan elements with a modern, bright design. The property is situated in a quiet location, just a few minutes' walk from numerous restaurants and shops.

On the ground floor there is a garage with direct access into the house, a kitchen, an open-plan living and dining area with access to the terrace and the pool - ideal for relaxing hours.

On the first floor there are 2 bedrooms, each with en suite bathroom, and a spacious terrace with impressive views.

On the 2nd floor there is a further bedroom with en suite bathroom, a small terrace and a practical storage room.

Features include underfloor heating, air source heat pump, mains electricity, mains water and air conditioning.

The project also offers the opportunity to customize the design according to your own wishes - making this house your very own dream home.
