## Описание объекта:

This fantastic, charming town-house is situated in the heart of Felanitx, and has been renovated paying great attention to detail and preserving the Mallorcan character of the house. Old, refurbished tiles, high ceilings, and wooden beams emphasise the original charm of the property. The lively market square, restaurants and shopping can all be reached in only a few minutes.

On the ground floor is an imposing entrance area leading into a pleasant living/dining area with fireplace and access to the garden. Also on this level are 2 bedrooms and a bathroom.

A staircase leads to the upper floor with the lovely master-suite with en-suite bathroom. There is also an adjacent room which could serve as a dressing room, office or children's room, and a further bedroom.

A real highlight is the large roof terrace offering impressive views over the rooftops of Felanitx as far as the Tramuntana mountains - the perfect place for a relaxing chill-out zone.

On the right side of garden, directly accessed from the living room, is a beautiful, fully-equipped outdoor kitchen, and a separate bedroom with WC, perfect for use as a guest room. Two large lemon and orange trees offer welcome shady places during the hotter summer months, with diverse seating areas inviting to relax and enjoy.

A very important feature is the touristic rental licence, which makes this exceptional town-house an excellent investment property.

Further features include air conditioning.

Please do not hesitate to contact us for further information and a viewing appointment.
