Описание объекта:

Very modern semi-detached house with upscale amenities in the beautiful coastal area of Puig de Ros.

In the design of the house, attention was paid to a lot of natural light incidence; personal wishes can also be realized with the help of the 3 expansion variants.

For example, you can choose between 3 or 4 bedrooms, or opt for an open kitchen with adjoining living area.

The modern, spacious living and dining area opens to the private garden and pool area.

Likewise, there are different color combinations for bathrooms, tiles and basic furnishings.
