Описание объекта:

Dating from 1942, this lovely townhouse impresses with its traditional, authentic character and its prime location, standing on a plot of approx. 331 sqm located in the centre of Santanyi. It offers the perfect combination of convenient urban life together with a tranquil, private retreat. The lively market square and exclusive restaurants are only a few minutes' walk away.

Upon entering the property the Mallorcan charm immediately makes itself felt, with a large entrance area providing direct access to both the house and to an adjoining patio with Mediterranean plants and flowers.

Distributed over the ground floor is a bright dining room, a cosy living room with a fireplace assuring cosy hours with pleasant temperatures on cooler days, and the separate kitchen providing direct access to a romantic patio. Also on this level are 2 bedrooms and a bathroom. All the rooms offer great potential.

The upper floor is accessed via an internal staircase or stairs from the patio, and houses a further double bedroom, a shower-bathroom, an office, and a spacious and very charming loft room. Traditional natural-stone walls and high ceilings create a special Mallorcan ambience, and a large terrace provides a quiet and private retreat.

The original Mallorcan patio enchants with its Mediterranean plants, and presents a place where the Mallorcan flair can be enjoyed to the full. There is also a further kitchen with an inviting seating area, and a covered terrace at the rear which could be made into a lovely barbecue area. A separate guest apartment with its own bathroom completes this exceptional property.

The possibility is also given to purchase the adjoining plot. (Ref. no. 121846B, or as a complete package ref. no. 121846)

This opportunity offers great potential and a multitude of possible uses.
