Месторасположения и окрестности:

Cas Català is the nucleus of the municipality of Calvià , which marks the border with Palma. Its name dates back to the end of the XIX century, when a Catalan established his home there. It is a residential housing with chalets and flats spread on the hillside of woodland. It has two accesses to the sea and a little beach surrounded by terraces. Aside of the beach the five star hotel “Maricel” offers to all guests in its restaurant and the recent opened Spa a wonderful sojourn.
