Описание объекта:

This enchanting villa with touristic rental licence, built in 1987, stands on a plot of approx. 618 sqm. It offers complete privacy and is only a short walk from the beach of Cala Pi.

Upon arrival a lovely Mediterranean garden leads to the entrance of the villa, opening on to the main living level with an inviting terrace offering wonderful sea views. On this level is the comfortable living room with fireplace, a fully-equipped kitchen with dining area, 2 bedrooms and a bathroom. From the kitchen there is access to a terrace which overlooks the green surroundings. A spiral staircase leads to the absolute highlight of the property, the roof terrace with its breathtaking sea views, the perfect place for a chill-out zone.

On the ground floor there is a further spacious living/dining room, a bedroom and a bathroom.

In the exterior area the garden is very well-maintained and lovingly laid out, with diverse palm trees and rubber plants providing natural shady areas. A sun terrace adjoins the heated pool, with a barbecue zone rounding off this impressive package.

An important feature of this property is its valid touristic rental licence for up to 8 persons. Due to exclusive location only a short walk from the beach, and its excellent equipment, the house attracts ample guests making it a very sound investment property. Thanks to the heated pool, oil-fired central heating, and air conditioning the villa can be used all year round. The villa is an interesting investment property as it has a very good occupancy rate for holiday rentals and therefore promises a good return.

Further features include a large garage.
